Re: Case #15-04GJ

Dear Honorable Judge Silveira,

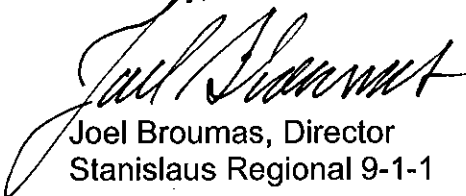

I have reviewed the Findings and Recommendations of the Civil Grand Jury relating to the Stanislaus Regional 9-1-1 Center and have listed my response below:

F12. Staff comments indicated CAD Software is outdated.

Response: On May 17, 2015, the Computer Aided Dispatch (CAD) system was upgraded. We expect to receive another upgrade to this system in 2016 which will upgrade both the software and hardware of our CAD System.

If I can be of any further assistance, please feel free to contact me.

Sincerely,

Joel Broumas, Director
Stanislaus Regional 9-1-1
