

# Defendant's Request For Order Packet - Traffic

Use this form to ask the Court to make an order in your case on one or more of the following issues:

- Petition to Vacate Civil Assessment
- Petition for Ability to Pay Determination
- Request for Order to Modify Fine Amount
- Request for Order to Pay Fine in Installments
- Request for the court to take action on other issues

Your packet includes:

- **Defendant's Request for Order Packet and Instructions**
  - Your options under the California Rules of Court are provided.
  - Instructions on completing forms are provided.
- **Forms:**
  - Defendant's Request for Order – Traffic
  - Financial Declaration (required if your ability to pay any fine or fee is the reason for your request)
  - Order on Defendant's Request for Order – Traffic

Your options are listed below per the California Rules of Court. You have the right to request one or all of the following, depending on the status of your case:

**1. Petition to Reduce or Vacate Civil Assessment – California Rules of Court, Rule 4.106**

- If you received a notice that a civil assessment has been added to your citation, you may petition the court to reduce or vacate the assessment.
- A petition to reduce or vacate an assessment does not stay (stop) any order requiring payment of bail, fines, penalties, fees, or assessments unless specifically ordered by a judicial officer.
- If you do not establish good cause as to why you didn't appear or did not pay, the court can still impose the civil assessment.
- The court may consider such factors as your due diligence in appearing or paying after notice of the assessment has been given.

**2. Petition for Ability-to-Pay Determination – California Rules of Court, Rule 4.335**

- You may request an ability-to-pay determination at sentencing if you are currently on an installment plan, or while your judgment remains unpaid, including when your case is delinquent or in collections.
- You have the right to a review by a judicial officer. When you submit your request in writing, include any information you want the court to consider, including any attachment(s) that would help support your request.
- The court will make a decision based on the information and supporting documentation that you provide in your written request. Specific documentation as to your financial status may be required for the court to make a determination.
- If an ability-to-pay determination has already occurred, a subsequent ability-to-pay determination can be requested only if there is a change in circumstances. The change in circumstances must be supported with written documentation in order for the court to consider your request.

**3. Right to Appear in Court for Arraignment and Trial without Deposit of Bail – California Rules of Court, Rule 4.105**

- If you have not already been arraigned or previously waived formal arraignment, which resulted in a conviction:
  - You have the right to appear in court for arraignment and trial without deposit of bail.
  - If you have already been convicted, your options include:
    - Submitting a Request for Order (considered on your paperwork and written statements and documentation).
    - Filing a motion to schedule a hearing date (considered on your paperwork and verbal statements).
- If you have been convicted "in absentia" (in your absence), you have only 21 days to file a Request for Trial De Novo in order to appear in court to contest your case from the date of mailing on your Notice of Decision on Trial in Absentia.

Fill out the amount you can pay each month in the "\$\_\_\_\_\_" section. **Please note it must be a minimum of \$10.00 per month.** You must also be sure you complete the Financial Declaration form. Read the information in bold letters. ### 3. Request To Pay Fine Amount In Installments

Due to a financial hardship, I am requesting to pay the fine amount, including the Civil Assessment, in installments of \$\_\_\_\_\_ per month (the installment payment must be at least \$10.00 per month). I have also completed a Financial Hardship Declaration and submitted it to the court with my Defendant's Request For Order - Traffic.

I understand that if I miss an installment payment, the court may consider the entire unpaid balance is immediately due and payable and the court may send my case to the Franchise Tax Board (FTB) or other agency for collection. I also understand that if I need an extension of time, I must contact the Court to arrange an extension on or before my due date.

- **Completing #4: Request For Other Orders:** You can ask the court to review other issues, however, you must be specific as to what you are requesting and why you are requesting it. If there is any documentation to support your reasons for this request, you are encouraged to attach copies, so the court is able to make an order on your case without having to schedule your case for a hearing to have you appear in court at a later date to make the determination. The more information you provide, the more information the court has to consider in support of your request.

I understand that I am required to provide proof of any statements related to my financial declarations if I am asking the Court to consider a financial hardship. In the event that I have not been able to provide this documentation, I understand that my request may be denied by the Court.
