GLOSSARY:

CGC Section 26909 California Special District Audit Requirements.

Unqualified Opinion: Auditor's opinion of a financial statement, given without any reservations. Such an opinion basically states that the auditor feels the company followed all accounting rules appropriately and that the financial reports are an accurate representation of the company's financial condition.

Qualified Opinion: Qualified Opinion report is issued when the auditor encountered one of two types of situations which do not comply with generally accepted accounting principles; however the rest of the financial statements are fairly presented.

2. The committee reviewed audit logs.
