Subject: Response to the 2016 Stanislaus County Civil Grand Jury Report

Dear Judge Silveira,

The City of Riverbank has reviewed the findings and recommendations of the 2015-2016 Stanislaus County Grand Jury report regarding the "Stanislaus County Building Study" and has provided its response below.

RESPONSE TO FINDINGS

F1. The City of Waterford is the only city to use the Central San Joaquin Valley Risk Management Authority Building Detail Report. This report has a complete summary of each property, including date built or acquired, address, type of construction, services, features, valuations, and conclusions. In addition, each property has a current photo. Other cities would benefit from using the same system to list their inventory.

The Respondent agrees with the finding.

RESPONSE TO RECOMMENDATION

R1. The Stanislaus County Civil Grand Jury recommends that all cities in Stanislaus County should consider using the Central San Joaquin Valley Risk Management Authority Building Detail Report to efficiently account for and report to the public all city-owned properties.
